

SCHOOL of SOCIAL SCIENCES

where I make a difference

UNDERGRADUATE AWARD FOR EXCELLENCE

In the Anteater tradition, Social Science students are committed to academic excellence. Equipped with knowledge and leadership skills, this generation of students, like you, will make a difference in our communities.

In support of the School of Social Sciences' priority to recognize undergraduate students who demonstrate academic excellence and promise as community leaders, we are pleased to announce the establishment of the School of Social Sciences Undergraduate Award for Excellence.

As alumni, this scholarship program offers you an opportunity to make a difference in the lives of our current students. With a \$25K gift paid over five years, you will encourage and impact 25 students. A gift of \$10K impacts ten students, and a gift of \$5K impacts five students.

With your gift, you are invited to:

- Designate your name or a name of someone you wish to honor as part of the scholarship title;
- Designate the Department for the scholarship;
- Attend the Undergraduate Award for Excellence Celebration Reception to meet scholarship recipient(s), faculty and staff;
- Invite your guests to the Undergraduate Award for Excellence Celebration Reception;
- Permit us to include your name as a scholarship donor in our School publications and website.

Thank you for your continued commitment to our students and for helping to shape their future. Your gift has the power to transform individuals and communities and truly **make a difference.**
